4. Chapter: A&P 11 Muscular System MCQ

1. A&P 11 Muscular System MCQ Questions

4.1.1. Which of the following is unique to the muscles of facial expression?

Author: OpenStax College

Which of the following is unique to the muscles of facial expression?

Please choose only one answer:

- They all originate from the scalp musculature.
- They insert onto the cartilage found around the face.
- They only insert onto the facial bones.
- They insert into the skin.

Check the answer of this question online at QuizOver.com:

Question: [Which of the following is unique to the OpenStax College Anatomy](#)
