Author: OpenStax College

In an American town, a mining company owns all the stores and most of the houses. They sell goods to the workers at inflated prices, offer house rentals for twice what a mortgage would be, and make sure to always pay the workers less than needed to cover food and rent. Once the workers are in debt, they have no choice but to continue working for the company, since their skills will not transfer to a new position. This most closely resembles:

Please choose only one answer:

- child slavery
- chattel slavery
- debt slavery
- servile marriage
