#### 4.1.5. Ethical guidelines were first created for the helping professions

...

Author: Anh Dao

Ethical guidelines were first created for the helping professions

in 1953 when the American Psychological Association (APA)

published their first code of ethics. The National Association of

Social Workers (NASW) created their code in 1960, and in 1961,

the organization that is now ACA adopted ethics for counselors.

Ethics always describe

Please choose only one answer:

- laws.
- universal principles which apply to all helpers.
- standards of conduct imposed by ACA and NBCC.
- all of the above

Author: Anh Dao

A 39-year-old female secretary you are seeing in your assertiveness

training group reveals that she is plotting to shoot her husband.

Based on the Tarasoff case you should

Please choose only one answer:

- warn the husband
- keep it confidential because an assertiveness training group is decidedly not the same as one-to-one counseling.
- make a police report in the city in which the husband resides.
- tell a supervisor, administrator, or board member if one exists, but do not contact her husband.

Author: Anh Dao

You pass your exam and now have NCC status. During a staff meeting a clinical director explains to you that, from an ethical standpoint, your primary duty is to the agency. Most experts in the field of counselor education would

Please choose only one answer:

- agree with this position with very few reservations.
- disagree inasmuch as professional ethics emphasize that your primary responsibility is to your clients.
- disagree inasmuch as professional ethics emphasize that your primary responsibility is to the ACA
- say that, according to “aspirational ethics,” your agency comes first.

Author: Anh Dao

A counselor who possesses a graduate degree wishes to become a licensed psychologist. Which statement most accurately depicts the current situation?

Please choose only one answer:

- Any counselor can easily become a psychologist if he or she can pass the EPPP.
- A counselor can become a licensed psychologist by taking three graduate credit hours in physiological psychology and then passing the EPPP
- In nearly every case individuals trained in counseling departments would not be allowed to sit for the EPPP and thus could not become licensed psychologists.
- A counselor with a doctorate in counseling could be licensed as a counseling psychologist if he or she has a degree from a recognized department of counseling.

...

Author: Anh Dao

Section A, which is the general section of NBCC's Code of Ethics,

cautions counselors against sexual harassment defined as

“unwelcome comments, gestures, or physical contacts of a sexual

nature.” An example of an ethics violation in this respect would

be

Please choose only one answer:

- a female counselor who repeatedly tells a male client how sexy his hairy chest looks when he leaves his shirt unbuttoned
- a male counselor who smiles to reinforce a female client (who is overly critical of her looks) who has just said that she is beginning to accept her feminine qualities
- a female career counselor who tells a male client that she feels his gray flannel suit would be the most appropriate for a given job interview
- when a client who has been very depressed and neglecting her looks comes into the therapy session looking much better and the counselor comments, “You certainly look nice today.”

Author: Anh Dao

You are a middle school counselor at a public school. A child is threatening to kill another student and admonishes you to keep it a secret. According to the ethical principle of minimal disclosure the best course of action would be to

Please choose only one answer:

- try to talk the client out of his plan of action but do not violate his confidentiality by telling anyone else
- call the major radio and television stations as research clearly indicates that publicity can stop school tragedies
- call the police and give them a complete blow by blow description of the counseling session
- inform the parents of the student in danger, inform the principal, and call the police immediately, discussing only material related to the threat.
